## \$12,000 Federal Grant Approved

Seventh District Congressman John Myers announced yesterday that the Federal Aviation Administration has awarded a planning grant to the Putnam County Board of Aviation Commissioners.

Congressman Myers said the \$12,000 grant will be used to prepare an airport requirement study, airport and financial plan, final reports, environmental statements, and to conduct public hearings.

Norman Knights, president of the Putnam County Council, said he was very pleased about the news and the County Council will be acting officially on their \$3,000 matching grant at the next meeting on May 8.

Dr. J. P. Allen, president of the Putnam County Board of Aviation Commissioners, said he too was very happy about the quick approval of the federal grant. The State of Indiana had previously approved a grant for \$3,000, their share of the matching-fund program.

The work on the Master Plan will be done by the A & E Engineering Company of Indianapolis. Allen said the company was one of several on an impartial list from the State Aeronautics Commission.

"This firm has done plans for several other airports of comparable size and larger ones. We checked with the people at some of these other airports and they all seemed to be very satisfied with the work of A & E," said Allen.

Work will begin on the Master Plan as soon as approval is received for the \$3,000 grant from the Putnam County Council.

## Founder's Day April 23

Beta Sigma Phi, a social, cultural and service organization for women, plans the celebration of Founder's Day. The organization has 250,000 members in 10,500 Chapters organized in 24 countries of the free world. The organization is not connected with any school or college. It is non-political and non-sectarian. The keynote of Beta Sigma Phi is friendship.

Chapters of five different degrees meet the growing needs of various age groups. Members are active in small Chapter groups and each Chapter adapts the plans for social, civic, and service and cultural activities to fit the interests of its own members.

When Beta Sigma Phi events or civic endeavors are larger than one Chapter can plan alone, all Chapters in a city or area may combine their strength. There are State Conventions each year which any member may attend.

Internationally the Chapters have created three special funds: The International Loan Fund, through which members help one another; the International Endowment Fund, through which vast sums have been donated to cancer research, cystic fibrosis, homes for underprivileged children, and many other causes; and the Exemplar Fund, which helps to support Literacy Village in India.

Outstanding projects and

activities of the local chapter are sponsoring a scholarship for an aquatic school at Camp Limerlost, providing carpeting for a room at the Allison Home, sponsoring various trips and parties for the County Home and Eventide Nursing Home, working on

### Campaign Cost Requested By Common Cause

All candidates for the primaries in the 7th Congressional District are being asked by local Common Cause members to make available to the local newspapers a single report of campaign contributions and expenditures, according to Bary Malik Common Cause Coordinator.

Although the 1971 Federal Election Campaign Law requires all candidates to file reports of contributions and expenditures at the State Capitol and in Washington 15 days and 5 days before the elections, Common Cause members believe that such reports should be readily accessible to the public. Furthermore, these reports should be condensed into a single, meaningful form so that voters can see for themselves what individuals and organizations are giving financial support to the candidate.

the National Beta Sigma Phi Endowment Fund, Hoosier Boys' Town and various other service projects.

The also sponsored the Cowboy Bob Show and the Spring Fling Style Show.

The Founder's Day celebration on April 23, at Torr's Restaurant marks the 43rd Anniversary of the founding. The organization was founded in Abilene, Kansas, by Mr. Walter W.

## Proof Requirements For Social Security

People will be asked to prove their age, identity, and citizenship to get a social security number when applying for the first time, according to William J. Kelleher, social security branch manager in Crawfordsville.

The proof is required under an amendment to the social security law. "The requirement affects native United States citizens, naturalized citizens, and aliens," Kelleher said.

People can apply for a

social security number by writing or visiting any social security office. Application forms are available at social security offices and post offices.

"Age can usually be proved with a birth or baptismal certificate," Kelleher said. "Identity can generally be proved with a driver's license, voter's card, or similar evidence—preferably something that carries your signature."

People born in the United States can usually establish

citizenship with the same papers they use to prove their age and identity, he said.

People applying for duplicate social security numbers because they've lost their social security cards or changed their name generally aren't affected by the proof requirement, according to Kelleher.

The proof requirement is intended to help prevent people from obtaining more than one social security number or obtaining or using a social security under a false identity, Kelleher said.

A fine of up to \$1,000, imprisonment of up to one year, or both may be imposed for fraudulent use of genuine or fake social security funded programs.

"Your social security number is yours alone and remains the same for life," Kelleher said. "You build retirement, disability, survivors, and Medicare protection for yourself and your family by work and earnings credited to your social security number. Using more than one number could mean you're not getting full credit, which could adversely affect your social security payments in the future."

"You should apply for a social security number several weeks before you need it," Kelleher said. "Applications are generally screened against social security central files in Baltimore, and screening takes time."

"When you get a job covered by social security," he said, "make sure your employer copies your name and number correctly from your social security card to his records."

The Crawfordsville social security office is at 110 Walter Remley Drive. The phone number is 362-5040.

## Meeting To Discuss Community Problems

Dave Arnold, chairman of the internal affairs committee of the Greencastle Chamber of Commerce, announced today that a luncheon to discuss community problems and interests will be held. The location selected for this first of three meetings will be the Putnam Inn, 400 North Jackson Street, at noon on Monday, April 22nd. A buffet luncheon is available for the cost of two dollars per person.

The Chamber of Commerce feels that this open meeting for Chamber members, associates, friends, and the press, will stimulate ideas on making Greencastle a better place to live. There will be no program and guests may come and go as necessary. Possible topics for open discussion suggested include parking problems, retail and office space for rent, bringing new industry to the area, sesquicentennial celebrations, merchant promotions, sidewalk and curb repair, and other items of general interest to the business community

and general public. Reservations for this first meeting are not necessary.

## Girl Scouts Clean City

Putnam County Girl Scouts will be participating in "Keep America Beautiful Day", April 27.

The girls will have trash pick-up and will be available to clean back yards and open areas. However, volunteer truck drivers to man the trash pick-up are needed desperately and should call Mrs. Richard Wallace at 653-4538. People wishing to have trash picked up or yards cleaned should also contact the above number.

The scouts will also be cleaning Robe Ann Park and Dunbar Hill. All girls participating are invited to go to Burger Chef for a free coke.

## Band In Crawfordsville Today

On Saturday, April 20, the Greencastle Junior High School Band will be participating in the Indiana School Music Association Band Contest at Crawfordsville.

The Band began preparation over a month ago. They are entered in Group III, Junior Division and this is their first time to be entered in a Band Contest. They will be playing three selections: "Yankee Clipper March," "Two Bach Chorales," and "Little Suite" by Bartok. The Band is composed primarily of seventh graders and a few eighth graders for this contest.

Contest Band personnel include Woodwinds - Renee Harvison, LeAndre Dressler, Karen Foxx, Susie

Murphy, Laura Waldron, Lori Christian, Chris Campbell, Marcia Greenlee, Denise McMains, Roberta Craig, Darlena Detto, Lori Brattain, Brian Kimura, Ivan McCammack, Amy Breese, John Weiss, Tim Bitzer, and Lisa Stewart.

Brasses include Bob Taylor, Jim Cundiff, Kim Warfield, Terry Wasnidge, Brian Moore, Keith Nelson, Steve Miller, Tanya Cline, Andrew Smith, Stephen Geabes, Scot Evans, Eric Wood, Brenda Cox, David Sult, Peggy Jarrell, Greg Coffman, Aaron Birt, and Greg Hazlett.

Percussion include Paul Pierce, Ron Clodfelter, Mark Collins, Jeff Flint, and Bill

Taylor. Directors are Miss Russell,

Mr. Bailey, and Miss Stilz, DePauw student teacher.

## Tell matchmaker you've got a full book

By Abigail Van Buren

© 1974 by Chicago Tribune-N.Y. News Synd., Inc.

DEAR ABBY: For the last year, a co-worker in my office has been nagging me to go out with her son, Richard. I am 30 and her Richard is 35. I've learned from past experience that whenever a mother is overly anxious to date her son up—beware!

I have turned down this woman's offer to be fixed up with her Richard in as many polite ways as I know how, but she refuses to give up.

I'm fairly attractive, and I'm not hard up for dates. Maybe I'm foolish, but I don't care much for this co-worker, and I doubt if any son of hers could have anything to offer me.

How can I get this persistent woman off my back once and for all?  
IRRITATED IN N. Y.

DEAR IRRITATED: Richard's mother is making all the overtures, right? What do you hear from Richard? [He's probably as turned off by his mother's eagerness to arrange dates for him as you are by her persistence.] Tell your co-worker that you're permanently booked. Period.

DEAR ABBY: I've never seen a problem like mine in your column. I'm almost 26, and I'm still unmarried. I'm worried that I might end up an old maid. Sometimes I wonder if maybe it wouldn't be better to just get married to any guy even if it ends in divorce so I could say I've been married. When a gal says she's 26 and never been married people start to wonder what's wrong with her.

Maybe I'm too picky, but I don't believe in shacking up with a guy before marriage. I have lost more guys with that attitude, but I can't help it.

Aren't there any decent guys left in the world? I'm not repulsive and I'm not dumb and I know I have a nice personality. So why can't I get a guy?  
WORRIED

DEAR WORRIED: Every girl can get a guy if she sets her standards low enough. Continue to be picky. It's not true that it's better to be a divorcee than an unmarried treasure! Ask any divorcee.

DEAR ABBY: My fellow workers and I would like to know the proper name for a niece's husband.

Some say he should be called a "nephew." I feel he should be called a nephew only to be polite.

Webster's dictionary defines nephew as "a son of one's brother or sister," or loosely, as "the son of one's brother-in-law or sister-in-law."

This backs me up, but my friends still introduce the above mentioned as their nephew. Who is correct?  
ROAD-RUNNER

DEAR ROAD-RUNNER: Strictly or loosely? Take your pick.

Bookmobile Service to the County

Why not visit the Library sometime between April 21st and 27th in honor of the occasion?

To celebrate National Library Week, the Greencastle-Putnam County Library wishes to announce the beginning of an Oral History Program. We have made our first cassette taping of a Putnam County resident for the purpose of recording what life was like here in the past. Our first interviewee is the charming and highly articulate Jane Farmer Hays. With a story-teller's skill she recounts her family's roots in Putnam County, their pioneer life here, the early families, roads, schools, and postal service. You may come to the Library at any time to hear her informative and very entertaining reminiscences.

Our intention is to make one Oral History cassette per month. On the last day of National Library Week, there will be a special event in the Library for 3rd and 4th graders. Suzy Saunders and Rita Taylor of Cadette Scout Troop 425 are preparing a story, game, and song-fest for the youngsters at 11:00 on Saturday morning, April 27th. All 3rd and 4th graders are welcome.

The tulips which the Jaycees planted around the library last fall are in full bloom, and the Jaycees have just finished painting the entire first floor. So our Library is beautiful in time for National Library Week. Come and see it!

## Frailing Gem On Cub Staff

CHICAGO (AP)—Lefty Ken Frailing, after two brief stints as a Chicago White Sox reliever, has become the Chicago Cubs' most promising starting pitcher.

Frailing, obtained among a quartet of Sox players for third baseman Ron Santo, hurled his second Cub victory in as many starts Thursday with a 1-0 shut-out over the faltering Pittsburgh Pirates.

Frailing effectively spaced seven Pirate hits before being sidelined by chill, 45-degree weather after seven innings and yielding to Ray Burris for a splendid mop-up job in the final two innings.

"My pitching arm started stiffening up after the sixth and I could hardly feel the ball in the seventh," Frailing, who

came to the Cubs with only one major league victory after some 21 innings of Sox bullpen work over the past two seasons.

In contrast with Wednesday's home-spiced Cub victory over the Pirates, an in-blowing wind Thursday at Wrigley Field left the decision resolved by Billy Williams' sacrifice fly, which scored an unearned Cub run in the first inning.

It was a tough loss for Pittsburgh's Jim Rooker, who limited the Cubs to only five hits in going the distance as the Bucs sustained their ninth defeat in 11 games.

Frailing may be the gem in the Santo deal, which also brought pitcher Steve Stone and Jim Krummel and catcher Steve Swisher from the White Sox.

"I was happy to come to the Cubs because I knew they needed left-handed pitching, but I didn't know I'd become a starter," said Frailing.

"With the Sox, I pitched 18 innings last season and only three in 1972 when I got my one major league win. So it was pretty hard to say how well I could really pitch with such limited experience, even though I had a 1.96 earned-run average with the Sox last season."

"But I'm getting a chance to work regularly over here and it's making a big difference," he said.

Frailing was touched for two hits in both the first and seventh innings, but the Pirates advanced only one runner as far as third base and left 10 stranded.

Burris really handcuffed the Bucs in the final two innings, striking out two in both the eighth and ninth innings as he retired the side in order each inning.

Rooker, after the fourth inning, allowed only Rick Monday's two-out single in the eighth.

"I really didn't have my best stuff, but I'll take that kind of a game anytime," said Rooker, now 0-2.

Buc Manager Danny Murtagh, after dropping two of the three games with the Cubs, said "Rooker turned in the best-pitched game we've had so far this season. We just have to fight our way out of this slump."

The Cubs open a three-game series tonight at Philadelphia, launching an 11-game road trip, their longest of the season.

## Eagles Wing Clovers

Cloverdale ace hurler Kelly Bailey fired a one hitter at South Putnam Thursday afternoon, but the defense behind and in front of him fell apart for one inning, long enough for the Eagles to push across four unearned runs for one inning, long enough for the Eagles to push across four unearned runs and go on to win, 4-2.

The Clovers booted away the 2-0 lead they had earned in the fourth inning by virtue of three singles by George Cummings, Jerry Chestnut, and Brent Minnick, the last a two RBI blow, when they committed three errors and a past ball in the fumbling sixth frame.

Dale Mendenhall provided the only base hit off Bailey, a clean shot to left field, after John Scobee had reached the first of the Clover misplays. After Bailey got the next two hitters, he enticed Kelly Cheshir to hit a routine infield pop up that should have ended the inning, but which instead dropped to the turf. Both Scobee and Mendenhall scored, tying the game, with Cheshir making it to second base.

Again Bailey tried to end the inning, this time by getting Julian Briones to swing at a low pitch with two strikes on him. But the ball hit the plate and bounced over the catcher's head. By the time the confused receiver was able to locate the sphere, Cheshir had scored the eventual winning run, and Briones stood at the hot corner.

But not for long, as a pick-off attempt got away from the third baseman, enabling the fleet Briones to carry home the last Eagle marker.

The Clovers attempted a comeback in their last at bats, sandwiching two singles around an Eagle error to load the bases with one out. But South Putnam winger Scobee bore down to register two of his twelve strikeouts for the day, putting out the fire.

Bailey finished with 14 strikeouts for the Clovers, in addition to three hits in the leadoff spot of coach Ken Williams' batting order.

## Cubs Fall To Clinton

Greencastle's baseball team ran into the three hit pitching of Clinton's Steve Ray Thursday afternoon, and added a bit of loose fielding themselves to drop a 6-0 decision to the hosts.

Only two of Clinton's runs were earned off Rick Parrish, who struck out two, walked a pair, and scattered seven hits in absorbing the loss.

Although the Cubs could put together only three safeties, two by Stacy Spencer, they stranded five runners, all of them in scoring position.

"We just weren't sharp," lamented Cub coach Jim Peck. "We didn't play heads-up ball."

The loss was the first of the young season for Greencastle, which brings both their overall and conference records to 2-1.

Clinton, meanwhile, has run up four successive victories to take the WIC lead with an undefeated slate.

Both the Greencastle A and B teams will be in action this afternoon when they host Rockville for a doubleheader.

## Cougars Win Two In WCC

North Putnam's baseball team heads to Avon Monday afternoon with a perfect WCC slate, hoping to extend the win column to include three victories.

The Cougars jumped to the good conference start this week with a 3-1 victory over Monrovia and a 12-2 drubbing of Cascade.

Bill Draper twirled a one hitter against the Bulldogs, and scored the winning run in the fourth inning when the

Cougars overcame a 1-0 deficit to notch their trio of markers.

Rex Call picked up the winning pitcher honors against the Cadets with a two hit performance in which he struck out six. The Cougars, led by Jim Brothers' three hits, put together five runs in the second, four in the third, and three in the fourth to shorten the game by the ten run rule.

In non-conference action over the last week, North Putnam dropped two decisions, 6-5 to Northmont a week ago and 10-0 to Southmont Tuesday.

Steve McLaughney went four for four against the Chargers, while Brothers and Call each added a pair of safeties.

North Putnam coach Jerry Olson was pleased with his

club's pair of WCC wins, but not overconfident in light of them. "These conference games are up for grabs. Whoever's playing good that day is going to win them, but I hear Edgewood is tough."

He will get a chance to see how tough the Mustangs are May 2, when the Cougars travel to Edgewood for what could be a showdown.

## Girls Win Net Pair

The Greencastle High School Girls tennis team opened their season with two impressive victories this week when they took to the road against Lawrence Central and Lebanon.

Wednesday the Cub girls shutout the Indianapolis school, 9-0, following that with an 8-1 trashing of the Tigers the next afternoon.

The team, coached by Ann Lawver, will be home for a pair of meets this week, entertaining Terre Haute North at 4:15 Wednesday afternoon and playing host to Southmont at the same time Thursday.

## Golfers Undefeated

Greencastle's veteran golf team surrounded a tie to rugged Crawfordville with a pair of victories this week to extend their undefeated slate on the year to 4-0-1.

Jay Franklin, who was also the Cub medalist in their win at Clinton Monday, set a school home course record at against Crawfordville at Windy Hill Thursday with a 74, despite the rain that dampened the match halfway to its conclusion.

## Tracksters Fall Again To Power

Greencastle went up against another area track power Thursday when they traveled to Plainfield, and the result was similar to when the Cubs tackled Terre Haute South earlier in the week.

This time coach Kevin Vana's forces managed to collect 12 more points than they did Monday, falling before the powerful Quakers, 95-32.

Larry Williams grabbed the only individual firsts for the Cubs with a pair of victories in the low and high hurdles.

The sophomore's times of :21.6 and :16.7 were good enough to make his coach comment "Larry's running real for us. He's shooting to get under :16 in the highs and qualify for the sectionals."

The Cub 800 yard relay team salvaged a split for the squad in the relay events with a win, as Rod Harris, Dan Whaley, Howard Friend, and Williams sprinted to a 1:40.8 finish.

# WORRY CLINIC

By George W. Crane, Ph.D., M.D.

Zeb's crime may intrigue your diagnostic skill. In the courtroom, a "crime of passion" is often used to mitigate a husband's slaying of his wife's lover. And "temporary insanity" is a common plea. Is Zeb a "temporary psychopath?"

CASE A-612: Zeb J., aged 47, has been a church treasurer for 15 years.

"Dr. Crane," one of his church associates informed me, "Zeb has been a pillar of our church."

"He has even taught a Bible Class for the past 8 years."

"But we have started a building fund for our new church, to be erected in the suburbs."

"And suddenly we find a shortage of \$23,000 between

Zeb's books and the actual amount in the bank.

"Zeb makes no attempt to explain this discrepancy and seems to be totally indifferent to the fact he must be guilty."

"What could make a man suddenly go haywire regarding his former moral behavior?"

## TEMPORARY INSANITY

You readers are quite familiar with the plea of "temporary insanity" cited in defense of homicide.

If a moral husband comes home to find his wife having an affair with an intruder, he may kill the strange man.

And this is often excused in part on the grounds of a "crime of passion."

"I was temporarily insane," he may argue.

And such "crimes of passion" are regarded more leniently than long premeditated or cold-blooded murder.

So this idea of temporary insanity can be useful when viewing a man like Zeb.

Indeed, some clergymen have even run away with a song leader or other attractive wife who may have been coming to them for counseling.

Indeed, I have had 2 such cases of runaway clergymen just in the past month.

But these husbands usually are in the 40-age bracket, when men are often victims of the climacteric.

Women in their menopause formerly grew mentally upset to the point they had to be committed to mental institutions.

The greatest thing in the world must be salvation from sin. Knowledge of this fact ought to stir men into obedience, but in many cases it does not. The time has arrived when all men everywhere must obey God or else be lost, there is no other possibility. When the Holy Spirit descended on the day of the Church's birth nearly 20 centuries ago (Acts 2) man's last hope was initiated. Because we are living in the last dispensation of time, man need not look for another chance after he has passed from this existence into eternity, there will not be any.

Perhaps man reasons that God is too loving to condemn him to an eternity of anguish, pain, and suffering, and upon this he places his hope. My friend, God is loving, but he has given all authority unto His Son (Matt. 28:18-20), because He has done so only because He knows His Son requires. Jesus Christ, God's only begotten Son requires certain acts of obedience, which acts must be obeyed before man will have any hope of forgiveness. (Hebrews 5:8,9). Therefore, friend, you must obey the Son in all things if you wish to have your sins forgiven. (Acts 2:38).

Sirs, in order to become a recipient of the hope of eternal life you must obey God's Son in all things and remain a faithful son thereafter. God indeed is just and fair, but it would be unjust for God to grant a man salvation who disobeys, and grant another salvation who does obey, such is contrary to Divine nature and pure folly to the man who places his hope in such nonsense.

Minister: Garrett L. Clair

Men then are scared about impotence, which is why occasional clergymen run off with other women, deserting their church, as well as their devoted wife and children.

For such men are so scared about loss of their libido that they lose their normal balance.

A tightrope walker, for example, focusses on the distance to keep his balance, for when he starts looking at the rope beneath his feet, he begins to fall.

The climacteric (or menopause) likewise makes such victims turn their attention inward till they lose their previous normal perspective.

Permanently selfish

people, who have preyed on their own parents, relatives and friends from childhood, may be psychopathic personalities.

Even Billy Graham may not be able to influence them. But men like Zeb may be termed "temporarily psychopathic," like the "temporary insane" diagnosis used in our courts.

Send for my booklet "How to Prevent Nervous Breakdowns and Insanity," enclosing a long stamped, return envelope, plus 25 cents.

(Always write to Dr. Crane in care of this newspaper, enclosing a long stamped, addressed envelope and 25 cents to cover typing and printing costs when you send for one of his booklets.)

# TWO MINUTES

WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.  
BIBLICAL BIBLE SOCIETY  
CHICAGO, ILLINOIS 60635

The second chapter of Paul's Epistle to the Romans is a dark, sad passage, but it opens the door to the richest blessing the human heart can contain: salvation by grace!

The opening words: "Therefore thou art inexcusable," are blunt indeed, but God exposes our sinful condition only so as to save us from it.

This is where most philosophies and the Bible clash head-on. Most philosophies close their eyes to the sinful nature of man. They argue by and large, that man is inherently good, while overwhelming evidence bears witness that he is bad. Therefore human philosophy offers no salvation from sin and its just penalty. Only the Bible does this by "the gospel (good news) of the grace of God."

In Paul's day the Greek philosophers condemned the uncivilized pagans for their open immorality and wickedness. But while preaching virtue, these moralizers practiced vice, and God said: "Therefore thou art inexcusable, O man, whosoever thou art that judgest: for where in thou judgest another, thou condemnest thyself; for thou that judgest doest the same things" (Rom. 2:1).

It is the same today. Multitudes of self-righteous people are outwardly cultured and moral,

but they forget that God looks upon the heart and sees hate as murder, jealousy as theft and lustful looks as adultery. He considers, not what we do, outwardly, but what we desire to do or wish we dared to do. He sees the desires and motives of the heart.

But thank God, "Christ died for sinners" — guilty sinners, and all who come to God by faith in Christ are "justified freely by His grace, through the redemption that is in Christ Jesus" (Rom. 3:24).
